

After prayer and petition to God, I heard the Words . . .

*“Create a place – a space for women to come to refresh and rejuvenate their souls. A quiet place – a trusting place that is safe and nurturing.”*

*“Faith House” is such a place.*

Located in the quiet countryside of Virginia and on the banks of the Little River, “Faith House” holds a special place in the hearts of the women who enter her doors and hallways.

**Faith House offers:**

- ◆ Biblical Studies for the discernment of God’s Word in your life
- ◆ An opportunity for solitude and reflection
